- **WELCOME (Katy Liddell)**
- **CONVERSATION WITH ALFONSO FELDER**
 - Alfonso Felder from the SF Giants organization spoke of the historical aspects of AT&T Park and its impact on the Eastern SoMa neighborhood. He also spoke about the plans for mixed-use development in the Mission Rock area, slowed down due to the economic downturn. Followed by Q&A.
- **EMERGENCY PREPAREDNESS**
 - Gary Pegueros, one of the NERT Coordinators for our neighborhood, spoke of the upcoming citywide drill to commemorate the 20th anniversary of the Loma Prieta quake. He briefly touched on suggestions and resources regarding emergency preparedness, and encouraged all to get NERT-trained or at the very least take action. Matt Springer reminded all of his "Earthquake Talk" presentation on October 14th at the Mission Bay Library. Tina Costa Delaney gave a short talk on her TLCD Concierge service which provides custom-made emergency supply kits.
- **WASTE RECEPTACLES ON OUR SIDEWALKS**
 - Mike Anthony has been working closely with the Dept of Public Works (DPW) regarding the need for more trash receptacles in our neighborhood. He surveyed our residents and the results indicated 27 receptacles, mostly within a 3-block radius of AT&T Park. At present, Mike has presented all the information to DPW and is awaiting their response.
- **ANNOUNCEMENTS**
 - Katherine Webster recapped the very successful "Taste of South Beach" street fair and announced the date for next year's event - Sept 25, 2010.
 - In lieu of a general NA meeting in December, it was announced that we would have a 'holiday social' for our group. Anne Marie Engel of the NA Social Committee will look into making the arrangements.

 - Our next meeting will be Monday, November 9th.
