TOPIC	Caltrain Electrification / Partial Removal of Hwy 280
--------------	---

- **WELCOME / INTRODUCTIONS (Katy Liddell)**
- **UPDATES / ANNOUNCEMENTS**
 - Katy reminded all of the March 20th meeting at The Infinity with our new Southern Station Police Captain Mike Redmond. Topic will be Homelessness. She also announced that our annual NA Elections will be held at our March meeting. Any interested candidates should step forward. Bruce Agid and Shelley Carroll were selected for the Nominating Committee in preparation for the elections.
 - Gary reminded all of our NA Yahoo Group (and to speak to him if you wish to be added). "Victims" are needed for Tuesday night's NERT Graduation class. And there is another 2-hour workshop on Emergency Preparedness scheduled for Thursday 2/21 at the Fire Station at 19th/Folsom Streets.
 - Alice reminded all that's it is time for 'dues' (which are completely optional).
- **GILLIAN GILLET / CALTRAIN ELECTRIFICATION**
 - Gillian Gillett, Director of Transportation Policy – Office of the Mayor spoke about the Caltrain Electrification Project where trains will be switching from diesel to electric. This will result in more frequent trains during peak hours by 2019. The project is still many years away as it is not fully funded. A public scoping meeting is scheduled for Thursday March 7th from 6p-8p at SF City Hall, Board of Supervisors Chambers. Followed by Q&A.
- **GREG RIESSEN / HWY 280**
 - Greg Riessen of the SF Planning Dept gave a presentation on the Hwy 280 project: existing conditions and options for traffic flow and what routes the new High Speed Rail can take to get into the city and reach the Transbay Transit Center. The leading proposal is to remove a portion of Hwy 280, making Mariposa the last exit. This would result in a large boulevard that would connect to King St. Followed by Q&A.
- **ANNOUNCEMENTS**
 - Hank Wilson of SFPark spoke briefly about the upcoming parking meter changes near AT&T Park. Beginning March 4th, "special events parking rates" will be in place during a game or other event which will be higher than standard rates. All meters will be enforced until 10pm. Hank will send more info shortly.
- **NEXT MEETING**
 - Our next meeting will be Monday, March 11th. Topic TBA.
