- **WELCOME / INTRODUCTIONS** (Alice Rogers)

Questions submitted in advance by residents were forwarded to Mayor Breed and Supervisor Haney. Each speaker began with opening comments, followed by responses to the pre-submitted questions.

Due to the Mayor's availability, today's meeting began at an earlier time. Mayor Breed joined us from 5p to 5:30p, followed by Supervisor Haney from 5:30p to 6:10p.

The NA Zoom Video Conference subscription allows for a maximum of 100 attendees and many more than that tried to join the meeting; our apologies to all who were not able to connect. Also, the Chat function was unfortunately disabled so 'real time' questions were taken via the NA email ([sbrmbna@gmail.com](mailto:sbrmbna@gmail.com)) and given to the speakers. The Mayor's staff has promised a written follow-up on those questions received but not answered live due to time constraints.

For any resident who has a follow up question for Mayor Breed or Supervisor Haney, please email [sbrmbna@gmail.com](mailto:sbrmbna@gmail.com) and we will forward your questions accordingly.
