- **A Neighborhood Roundtable**

Tonight's scheduled guest, SFPD Southern Station Captain Luke Martin, could not join us due to an unexpected scheduling conflict. He will join us at a later date.

Given this, we proceeded with a roundtable discussion touching on a few topics of interest: the current status of the proposal for Piers 30/32 and Seawall Lot 330; the upcoming management change for maintenance on Mission Bay parks and open spaces; the mix of offices and residential buildings at Mission Rock.

Alice announced that, since we had no new candidates for our three director's seats up for election, the two incumbents—Peggy and Alice—would be reinstated without balloting, and the board would select 3 members for our standing Nominating Committee to search for and cultivate possible new candidates for our one open seat. Alice invited both suggestions on possible candidates and on Nominating Committee members be emailed to the NA.

NOTE: There is no Zoom recording of this meeting.

The Neighborhood Association wishes to thank Cloudflare for hosting tonight's meeting, donating their conference room, providing snacks, and helping to facilitate the Zoom call.

Next Meeting: Monday March 13th. Details to follow.
