Apologies to those residents who joined us via Zoom. Due to some technical challenges, we were not able to 'see' how many of you were on Zoom, see raised hands, nor receive your chat comments/questions. We'll do our best to resolve this for our next meeting.

The Neighborhood Association wishes to thank Cloudflare for hosting tonight's meeting, donating their conference room, providing snacks, and helping to facilitate the Zoom call.

Next Meeting: Monday November 13th. Guest speaker Tiana Moore, co-author of the recently-released UCSF study on homelessness in CA, with a focus on SF. Details to follow.
